### A Pattern for Prayer

This is a suggestion.

Use it at any time of day.

Adapt it and vary the way you use it to suit your situation.

It can easily be combined with daily Bible reading notes.

### Draw near to God

Sit quietly for a minute or so. Remember God's presence. Your Heavenly Father is listening. Christ is praying for you. The Holy Spirit helps you to pray.

#### **Praise**

Think of something for which you want to praise God.

Think of something for which you want to thank God.

You might read Psalm 103:1-5 or your daily Bible reading at this point.

### **Prayer**

Bring to God

the needs of the world and our community

(including the people mentioned in this prayer diary)

the needs of the church, worldwide and local work of the Diocese

the sick and others in need, especially people you know things you will be doing during the next 24 hours

Our Father in heaven, hallowed be your name, your kingdom come, your will be done, on earth as in heaven. Give us today our daily bread. Forgive us our sins as we forgive those who sin against us. Lead us not into temptation but deliver us from evil. For the kingdom, the power and the glory are yours now and for ever. Amen.

# Something to ponder as we begin 2021 (we pondered the same in May 2020)

## An encouragement?

## A challenge?

### And the people stayed home.

And read books, and listened, and rested, and exercised, and made art, and played games, and learned new ways of being, and were still. And listened more deeply. Some meditated, some prayed, some danced. Some met their shadows. And the people began to think differently. And the people healed. And, in the absence of people living in ignorant, dangerous, mindless, and heartless ways, the earth began to heal. And when the danger passed, and the people joined together again, they grieved their losses, and made new choices, and dreamed new images, and created new ways to live and heal the earth fully, as they had been healed.
