St Wilfrid's Cowplain Data Consent

We want to communicate with church members and those interested in our services, activities and events in a way that is in line with UK law on data protection. This means authorised officers of St Wilfrid's Cowplain (for example the Vicar, Church Administrator and leaders of church groups that you choose to join) will legally be able to contact you whilst protecting your privacy.

As a result of a change in UK law, we now need your consent as to how we contact you. Please fill in the contact details overleaf that you want us to use to communicate with you. We will not share your details with any other organisation or person unless required to do so by law.

If you do not grant consent we will not be able to use your personal data (for example we may not be able to let you know about forthcoming services and events), except where we are required to do so by law or to protect members of the public from serious harm. You can find out more about how we use your data from our Privacy Notice, which is available from our website or the Parish Office.

You can withdraw or change your consent at any time by contacting the Parish Administrator at St Wilfrid's Church, Padnell Road, Cowplain PO8 8DZ or admin@stwilfridscowplain.co.uk. Please note that all processing of your personal data will cease once you have withdrawn consent, other than where this is required by law, but this will not affect any personal data that has already been processed prior to this point. Please note you can unsubscribe from church emails at any time.
